

# Three T's Activity (revisited)

## Professor Curt Bonk

### (First afternoon session)

#### Masterclass Part 3. The Rise of Shared Online Video, the Fall of Traditional Learning

1. **T#1: Take Aways!** How might you use ideas from this session on shared online video? What were the most interesting or relevant shared online video Websites or activities mentioned?
2. **T#2: Topics.** What topics caught your attention from this session? In what topics or subjects areas might you use shared online video?
3. **T#3: Thinking questions.** What follow up questions or concerns that do you have? Are there problems or potential dilemmas with using shared online video? Do you think that traditional teaching and learning will really fall away?
